

Just 4 months after our November Career Fair, Reedy Creek MS and other Wake County 8th graders will have to make a 4-Year high school plan and select courses for their freshman year in high school! You can help to open their eyes to new possibilities by volunteering to share your career with them.

THE EVENT:

8th Grade Career Fair
November 8th, 2007
10:00 AM until NOON (Setup: from 9 AM)
Refreshments provided

LOCATION:

Reedy Creek Middle School
930 Reedy Creek Road, Cary 27513
Website: <http://reedycreekms.wcpss.net>

CONTACT:

Rochelle Guilford: school 460-3515 cell: 696-1031
email rguilford@wcpss.net

Carol Breckheimer: school 460-3512
email cbreckheimer@wcpss.net

AGENDA:

Volunteers are assigned a table and a chair(s) in our gymnasium along with other participants. The table is long enough to display some artifacts from your workplace or brochures, etc., that will help the students identify or understand the career. Electricity and video equipment is available.

Individual students or small groups will visit the tables to converse with the career volunteers. As the students visit, they will complete an interview questionnaire. New in the questionnaire this year is a question about employment eligibility: Does your company or career require a criminal background check, credit check or a drug test? Also new is a question about the International connections your company has: Does your company have International connections through import, export or your workforce? Other questions focus on the duties, skills, personal qualities, and education/training required for the career.
